The yearly appointment with [5G ITALY](http://www.5GItaly.eu) is back. The main Italian event dedicated to **5G** is promoted by the [CNIT](http://www.cnit.it) (National Inter-University Consortium for Telecommunications).

**“5G ITALY – A European Perspective” RRP, Investments, Market, Research, Skills and Growth** is the title of the 4th edition of **5G Italy – The Global Meeting in Rome**, which will take place from **30<sup>th</sup> November to 2<sup>nd</sup> December 2021** in hybrid mode: *on line* on [www.5GItaly.eu](http://www.5GItaly.eu) and *on site* in Rome, at Sala Capranichetta and Sala Cristallo, Hotel Nazionale, in Piazza di Monte Citorio. Participation in presence is allowed only by personal invitation from the organization.

To attend the Conference online, register on [www.5GItaly.eu](http://www.5GItaly.eu)

**📞 The NRRP challenge and the funds for the telecom infrastructure**

The 2021 edition of 5G ITALY is a forum that discusses current technological challenges.

The telecom network and the 5G technology constitute the beating heart of electronic communications and will be a key element to support the digital transition process, fundamental for the country's growth.

This will be the main theme of the Conference, with a particular focus on Italy, Europe and the NRPP investment programs, which is going to allocate a large amount of resources on the digital transition.

 The speakers are going to be representatives from the government, regulatory authorities, companies, universities and research centers.

We're excited to give you a preview of the speakers:
